Report of Independent Registered Public Accounting Firm

To the Board of Directors
McLaughlin Ryder Investments, Inc.
Alexandria, Virginia

We have audited the accompanying statement of financial condition of McLaughlin Ryder Investments, Inc. (the Company) as of December 31, 2015, and the related notes (the financial statement). This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of McLaughlin Ryder Investments, Inc. as of December 31, 2015, in conformity with accounting principles generally accepted in the United States.
